Jane Olivier is not only Shuntavi's (CH 282) grandmother but also a longtime musician and performer. After teaching K-5 music for forty years in NH, she retired and has been taking advantage of the time she has to visit her 10 grandchildren all in the Boston area. She most recently visited 282 on November 7th to share her music. The kids were raptured by her singing, guitar, and violin. They joined her in "I Am An Apple" which is a song she wrote over 30 years ago and is now a favorite for the kids in 282. Besides visiting her grandchildren, Jane is very active in her local community, volunteering at her local prison and hospital and continuing to take cello music lessons. The kids were especially interested in the songs Jane sings to inmates in prison and requested a few favorites.

The Tobin Montessori would like to welcome Cristina Ullman as the new building sub. Christina previously worked in the 3 yr old Afternoon program and is the mother of Piper and Maude.

We also would like to welcome to our 3 yr old Afternoon program Stanley Duperval who comes to us from the Commun ity School Program.

Turkey Trot… A Tobin Tradition. Every year, on the Wednesday before Thanksgiving, Mr. Burgess and Ms. Spencer from the Phys Ed. Dept.plan our annual Turkey Trot. Starting first thing in the morning, the students come out at their assigned times to the back of the school. Ms. Spencer and Mr. Burgess are ready with the bull horn…Ready, set, go and they're off. One lap around the school for the Montessori School, two laps for the Upper Campus. As the runners rounded the corner, 1st, 2nd and 3rd place winners are decided. Frozen turkeys, pies and apple cider were the prizes for the race winners.

Because of the generosity of Whole Foods and Dept. of Human Resources, we were able to give to all the participants a Tee-shirt or sport bracelet to take home.

Check out our website to see more pictures of the event.
